HISTORY

Words historians use

Primary source	Evidence made at the time, such as a diary, letter or photograph.
Secondary source	Made later by someone who was not there, such as a textbook.
Artefact	An object made by people in the past, such as a coin or a tool.
Chronology	Putting events in the order they happened.
Invasion	When an army enters a place to take control of it.
Settlement	A place where people choose to live.
