SELF-CHECK

Is my online life secure?

Name: _____ **Date:** _____

- [ ] My passwords are long and different for each important account
- [ ] Two-factor authentication is switched on where it is offered
- [ ] My profiles are set to private or friends only
- [ ] I have turned off location sharing on apps that do not need it
- [ ] I check links and attachments before I open them
- [ ] I know how to block and report on the apps I use
- [ ] I would not post anything I would be unhappy for a teacher or family to see
- [ ] I know who I would talk to if something went wrong online
