RELIGIOUS STUDIES

Studying a belief system

RE explores what people believe and why, and how it shapes their lives. We describe and explain. We do not judge.

Beliefs

What do followers believe? Describe the main teachings.

Practices

How do they worship, celebrate and mark key moments in life?

Sources

Which texts, traditions or people give guidance and authority?

Daily life

How might beliefs influence choices and communities today?

Use evidence. Show different views. Be respectful.
